

# Hero Biobased Penetrating Lubricant

**Product Name:** Hero Biobased Penetrating Lubricant

**Product Description:**

"This stuff works!" a Knauz Autopark mechanic recently summed up his experience with Hero Biobased Lubricating Penetrant as he worked on a late model engine breakdown and repair.

SSI Hero Biobased Lubricating Penetrant is USDA BioPreferred Certified meeting all Federal biobased buying requirements.

This product will quickly become a trusted tool in your tool box.

Hero Biobased Lubricating Penetrant is READILY BIODEGRADABLE and exceeds the USDA BIOPREFERRED BIOBASED specifications.

**Features:**

**PENETRATES & LUBRICATES** Loosens rusted parts with ease. Frees stuck mechanisms. Keeps parts running smoothly. Stops squeaks.

**PROTECTS & POLISHES** Leaves a light film that displaces moisture and acts as a corrosion preventative. Shines metal surfaces. Removes adhesives and tar.

**NON-POLLUTING & SAFE** VOC exempt with low VOC emissions. Vegetable oil composition. No indoor air pollution emissions providing a safe environment for all. Non-flammable with flash-point over 360 degrees F.

**PLANT-BASED & SAFE FORMULA** Studies have concluded that health consequences of indoor air pollution can reduce lifespans by as much as 9 years. And a major cause of this indoor air pollution are the cleaning products that are used in our offices and homes. While they clean, they pollute the air, putting all building occupants at risk. Hero's plant-based formula reduces indoor air pollution and keeps your staff and your customers safe and in a clean air environment.

**Storage & Shelf Life:**

Store at 65 to 75 °F in a dry and odor-free environment for a minimum shelf life of 6 months in unopened containers.

This information representing typical values, is presented in the belief that it is accurate and reliable; however, no warranty either expressed or implied is made.
